Gateway To Training (GTT)

Goondiwindi, St George, Roma, Warwick and Stanthorpe

Ambassador in the Qld Indigenous Youth Leadership Program for 2019

Gateway To Training congratulates Isabella Lloyd on her selection as an ambassador in the Qld Indigenous Youth Leadership Program for 2019.

Bella is an outstanding client of GTT Goondiwindi's Transition to Work programme. She will join other selected participants from across the state in Brisbane for a week at the end of June. The young Indigenous leaders will hear from a range of inspirational mentors and guest speakers and learn numerous processes to benefit them in their ongoing leadership roles.

This will further develop the community leadership skills of these young people and also link them with additional management and development opportunities.

Bella is a wonderful representative for rural youth and her community.
